PRIVACY POLICY

COLLECTION OF PERSONAL INFORMATION

We may collect your personal information in providing our services.

This may include, for example, your contact information, medical history, or records of the care you received during your visits to our healthcare facilities.

USE OF PERSONAL INFORMATION

We will only use personal information on an "as needed" basis and only for the purposes intended.

Your contact information may be used occasionally to share promotional news, products and events. You have the power to unsubscribe from these notifications at anytime.

We will not sell, rent, loan, trade, or lease any personal information collected, which personally identifies you or allows us to connect you to any third parties who are not involved in our relationship with you.

WE MAKE
HEALTHCARE SIMPLE

OUR COMMITMENT TO INFORMATION PROTECTION

SRx Health Solutions is committed to protecting the privacy, confidentiality, and security of any information for which we are responsible.

We have implemented physical, administrative, and technical measures to safeguard against loss, theft, as well as unauthorized access, disclosure, use, or modification.

ABOUT US

SRx Health Solutions is Canada's leading provider of innovative, sustainable, and integrated healthcare solutions that enhance the wellness of Canadians.

We fulfill our vision through delivery of comprehensive clinical and pharmaceutical solutions which improve patient care and treatment outcomes.

**SRX Health
Solutions is
committed to
protecting the
privacy rights
of our patients.**

PRIVACY POLICY

CONSENT

By using SRX's website and its services, you consent to the uses indicated in our Privacy Policy.

Should you choose to withdraw your consent, please immediately contact us in writing to advise of this decision.

Our contact information may be found at the back of this pamphlet.

RETENTION OF INFORMATION

We keep all collected personal information strictly confidential.

All information that does not have a specific purpose or that no longer fulfills its intended purpose may be destroyed, in a secure fashion.
