

# MONOFERRIC and VENOFER PROCESS | SRx Health

\*An infusion fee applies to infusions completed at SRx Clinics

## Advantages to Using SRx Health:

- ✓ All special authorization (SA) forms will be completed on behalf of the prescriber by SRx Pharmacy regardless of infusion clinic selected.
- ✓ Patients using SRx Clinics will be infused within 7 days upon receipt of prescription, which is advantageous for perioperative patients. There may be a delay of 1-2 weeks for patients requiring special authorization due to the SA process.
- ✓ Patients being infused Monoferric at Hospital Day Medicine Units will receive their Monoferric dose in advance of their appointment via complimentary home delivery.
